REGION OF ALSACE LORRAINE / CHAM

AT THE HEART OF EUROPE

In this region, more than anywhere else, identity echoes with **heritage legacy**. Mix of French and Germanic cultures, the wealth of the past is marked in the landscape of the area.

Nature is everywhere with regional parks and nature reserve. Diversified natural sites made of forests, mountains, vineyards, rivers and a large architectural heritage compose two major points for the rich range of sets standing there.

- Highest point of the area is up to 1 424 meters
- A quarter of the territory is made of forests and mountains
- 30 nature reserve
- More than 50 000 hectares of vineyards with 82 grands crus

Crossroads of Europe, being the **Euro metropole**, Strasbourg is the major city of the region. Nevertheless, a couple of interesting and dynamic cities are also present in the area such as Nancy, Reims, Troyes or Metz.
